### News and Views from this Hustling Village

#### Orleans Village Meeting.

The annual village meeting was held last evening. There were 94 voters present. All the old officers were reelected with the exception of F. H. Churchill as trustee. A. C. Harris was elected to serve as trustee for three years. The village refused to pay 15 per cent of its highway money into the town treasury, \$250 was appropriated for the public library, \$200 for the band and \$300 for park purposes and a winter playground. The only contest for village office was for the successor to B. O. Smith for tree warden. Seven ballots were necessary and O. P. Dunham was finally elected.

#### Congregational Church Notes.

Morning worship at 10:30. Subject of the children's sermon: The Lion-king and the sly little Jackals. The regular sermon is the 14th in the series on the Parables of Jesus, the subject: God's Fool. In the evening will be the fourth of the short sermons on Christian doctrine. At the mid-week service, on Wednesday, the bible course in Old Testament prophets will be continued in the study of Ezekiel. Two points are being emphasized in this course: the permanent contribution which these prophets made to our moral and religious thinking and life, and the preparation which the prophetic men made for Christ and Christianity.

The special music provided last Sunday evening by Dr. Karl Webster, on the cello, and by the young ladies' chorus, was most pleasing to all present. At the morning service a contribution of \$50 in cash and subscriptions was made to the anti-saloon league. Mr. Laing spoke very acceptably on the present plans and work of the league.

Mr. Monroe lived in Pawlet all the early part of his life and moved to Hartford, Conn., about 20 years ago. Six years ago he came to Orleans and made his home with his daughter since that time.
